

Personal Information Protection Policy

Effective Date: December 12, 2022

Your trust means a lot to us, and we are well aware of the importance of personal information to you. We will take corresponding security measures in accordance with the requirements of laws and regulations and use our best efforts to protect your personal information.

This Personal Information Protection Policy (hereinafter referred to as this “Policy”) is an effective contract between you and **Guangdong Top Ideal SCM Technology Group** (hereinafter referred to as “we” or “us”) on our possible collection and use of your information when you use this website.

Before using this website, please carefully read and thoroughly understand this Policy, especially the clauses marked in bold and underlined. You may start using this website after confirming that you fully understand and agree with this Policy. **If you disagree with anything in this Policy, you should immediately stop using this website.** Your login to use this website means that you have agreed to our lawful use and protection of your user information in accordance with this Policy.

Registration and Login

When you use the products and/or services provided by us, you may need to provide **your mobile phone number or email address for account registration and login.** **User registration or login is regarded as your consent to our collection of your personal information.** We may keep the contact information you offer to us and other necessary information related to your browsing and using the functions of this website. If you refuse to provide the above information, you will not be able to use the services in the login section of the website normally.

Baidu Statistics

In order to improve your experience on the website and continuously improve the service level of this website, this website will use Baidu Statistics (developed by Beijing Baidu Netcom Science and Technology Co., Ltd.) to analyze the traffic of this website. The following is a link to privacy policy of Baidu Statistics. Please carefully read and thoroughly understand the policy before using this website: <https://tongji.baidu.com/web/help/article?id=330&type=0&castk=LTE%3D>.

As Baidu Statistics is an open and professional technical service platform that provides statistical analysis, both we and you are aware of the information collected by Baidu Statistics and methods it uses through the above privacy policy published by Baidu Statistics. Therefore, **please be aware and understand that we will not take any liability for Baidu Statistics' behavior of dealing with personal information in violation of or beyond the above privacy policy. When you use this website, it means that you have fully read, understood and accepted all the contents of the above-mentioned privacy policy. If you disagree with the above-mentioned privacy policy or any of its terms during reading the privacy policy, please stop using this website immediately.**

This Website

During your visit to this website, this website may check your following information in the background of Baidu Statistics: **SDK/API/JS code version, browser, Internet service provider, IP address, time stamp, application identifier, application version, application distribution channel, independent device identifier, iOS identifier for advertising (IDFA), Android ID, MAC address, international mobile equipment identity (IMEI), device model, display height/width of the device, terminal manufacturer, operating system version of the terminal device, session**

start/stop time, time zone and network status (WiFi, etc.).

Please note that the above information alone cannot identify a specific natural person, and we will not use the above information for any purpose other than analyzing the traffic of this website.

How is this Policy Updated?

In order to provide you with better service and with the development of the business of this website, this privacy policy will be updated accordingly. We will issue an updated version on this website and make an announcement through this website before the version comes into effect. Please get to know the latest personal information protection policy in time before visiting this website.
